

GENEROSITY WEEK 2

FINISH LINE:

We can give generously to others.

READ:

Acts 2:42-47

ASK:

1. Why do you think the early believers were willing to give so much to each other?
2. What are some things you and your family can joyfully share with others?
3. If someone asks you why you are generous, what would you say to them?

ENGAGE:

Read through this month's memory verse, 1 Timothy 6:18, as a family and have each family member say it once. As a family, talk about what it means to be generous. Make a list of the ways your family is being generous to others with money, time, and gifts. What can you add to the list?

If you are not already sponsoring a child with Compassion International, this is an easy and great way to give as a family of both time and resources. You can even choose a child with your kid's exact birthday!
