

# GENEROSITY WEEK 3

## FINISH LINE:

We can give generously to God's mission.

## READ:

Exodus 35-36

## ASK:

1. Did Moses force people to give to the tabernacle? How do you know? What words were used to describe the people's hearts? (*moved, willing, eager*)
2. What kind of gifts did the Israelites give to help build the tabernacle for God? (*jewelry, fancy fabric, gems, oils, spices*)
3. Why do you think it was important to God that the people had generous hearts and didn't just give because they were forced? (*God always cares more about your heart than the things that you do. He wants you to know how much He loves you and longs for you to have a loving relationship with Him. Then your generosity would naturally flow from your love for God and for others*).

## ENGAGE:

Make a plan of how kids want to be generous with money they get from jobs, allowance, birthday, etc. Use this as opportunity to model as a parent how to think through being generous with what God gives you.
