

# HOPE WEEK 4

## FINISH LINE:

We have hope in the promise of the Savior's return.

## READ:

Revelation 21-22

## ASK:

1. Who is coming back to take us to our forever home?
2. What will our forever home be like?
3. Look at Revelation 21:4-5. Can you imagine what it will be like when there is no more crying, sadness or pain?
4. Who can we tell about the good news that Jesus is God's promised Savior and is coming back one day?

## ENGAGE:

Talk more about what our forever home will be like in heaven (better than anything we can think or imagine) and how we can have hope, no matter our circumstances, knowing that Jesus will return one day and make all things new.
